Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the “Air Conditioners at Estrada Courts” project in fiscal year 2025. The entity to receive funding for this project is the Housing Authority of the City of Los Angeles, located at 2600 Wilshire Boulevard, Los Angeles, CA 90057. The funding would be used to enable the installation of air conditioning units in living areas and the addition of cooling ceiling fans in bedrooms across 414 units of deeply affordable housing, directly enhancing the lives of 1,106 residents. The project is an appropriate use of taxpayer funds because it would provide much-needed cooling during the hot summer months for the vulnerable residents at Estrada Courts, supporting the physical and mental health of the residents, which would improve the residents' educational success, and employment opportunities.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Jimmy Gomez". The signature is stylized with large, flowing loops.
