Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the KYC Apartments Capital Improvements project in fiscal year 2027. The entity to receive funding for this project is the City of Los Angeles located at 200 N Main St Suite 1500, Los Angeles, CA 90012. The proposed funding would be used to make overdue improvements to existing permanent supportive housing project that requires a variety of capital improvements in order to keep units habitable for current and future tenants such as the repair or replacement of elevators, re-carpeting of hallways, accessibility upgrades, upgrades to heating and cooling systems and roof replacements.

This project is a valuable use of taxpayer funds because the KYC Apartments has provided a homes to low- and middle-income residents over the last 32 years. It has provided a linkage to social services provided by KYCC and other partners, and a pathway to financial and housing stability to a vulnerable population during the 33 years it has been operating. As the building has been in use for over 33 years, a significant investment is needed to ensure the building is in safe condition for its residents.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Jimmy Gomez".
