The Honorable Rosa L. DeLauro

Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Los Angeles County/USC Hospital/Century Permanent Supportive Housing project in fiscal year 2025. The entity to receive funding for this project is the County of Los Angeles located at 700 West Main Street, Alhambra, CA 91801. The funding would be used for funding to close a critical construction gap for the Century LAC+USC Permanent Supportive Housing project is a \$140 million development concept that includes 296 permanent supportive and affordable homes and will create a hub of health and wellness activity that will help residents find purpose and belonging. The project is an appropriate use of taxpayer funds because the Century LAC+USC PSH project will be a catalytic community resource by providing 296 permanent supportive and affordable homes as well as relevant community-serving resources including a "step-down" peer respite facility and a workforce development kitchen and cafe.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Jimmy Gomez". The signature is fluid and cursive, with the first name "Jimmy" and last name "Gomez" clearly legible.
