April 28, 2021

Dear Chair DeLauro and Ranking Member Cole:

I am requesting \$650,000 for Project SOAR in fiscal year 2022.

The entity to receive funding for this project is Southern California College Access Network (SoCal CAN) located at 1000 N. Alameda Street, Suite 240, Los Angeles, CA 90012.

The funding would be used for Project SOAR, a cross-sector public-private partnership with the Housing Authority of the City of Los Angeles (HACLA) to provide college and career advising support services to residents in public housing. In addition to working with 9-12th graders, SOAR provides one-on-one advising for returning adult learners, community college and transfers students, and adult residents interested in vocational training or certificate programs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Jimmy Gomez". The signature is fluid and cursive.
