Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for “Union Towers, Soto Street and Ramona Gardens Computer Lab Renovations & Tech Upgrades” project in fiscal year 2025. The entity to receive funding for this project is the Housing Authority of the City of Los Angeles, located at 2600 Wilshire Boulevard, Los Angeles, CA 90057. The funding would be used to invest in renovations and equipment to restore and create state-of-the-art computer labs for residents at three public housing developments: Union Towers, Soto Street, and Ramona Gardens. The project is an appropriate use of taxpayer funds because Los Angeles' lowest income residents will have space and equipment to learn digital literacy skills which in turn will help them improve their education, employability, access to healthcare and mental health services.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Jimmy Gomez". The signature is fluid and cursive, with the first name "Jimmy" being larger and more prominent than the last name "Gomez".
