Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$1,514,120 for the Downtown Women's Center Campus Renovation and Expansion in fiscal year 2023.

The entity receiving this funding is the Downtown Women's Center located at 442 S. San Pedro Street, Los Angeles, California, 90013. This funding will be used to expand DWC's current headquarters into an integrated campus with the addition of a second building, increasing both service capacity and the number of permanent supportive housing units designated for some of the district's most vulnerable residents: women with histories of homelessness and survivors of domestic violence.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Jimmy Gomez".
